Example  
 Some authors in English literature have used the word "man" to mean "mankind" in  
 connection with the word "humanity," as in the following: "The word 'man' is  
 often used in English literature to mean 'mankind' or 'humanity'." (1843)  
 Some authors in English literature have used the word "man" to mean "mankind" in  
 connection with the word "humanity," as in the following: "The word 'man' is  
 often used in English literature to mean 'mankind' or 'humanity'." (1843)
